Yr 2

- Question: Regarding the cadaver lab, are there any updates?

Dr. Jasmine Carino: The cadaver experience is scheduled to start on Monday, March 11, 2024, between 1-3 pm and 3-5 pm, and it will last until the end of the semester. Details are still being finalized with Canadian Memorial Chiropractic College (CMCC).

- Students have expressed concerns about 5 out of 9 BMS lectures not delivered on time and an instructor switch one week prior to a test.

Dr. Jonathan Tokiwa: Dr. Albert larz will be transitioning into the role, who is familiar with the course, feel free to get in contact with him.

NSA

- A few third-year students who are nurses have requested advanced standing in Emergency Medicine.

Dr. Carino: It is already completed.

Updates/announcements:

Ahmed Kandil: Post midterm ANM and NMT schedule: Following a revision and adjustments in the schedule, it now better aligns, and a communication will be sent out.

The Early Term Course Surveys were opened on Tuesday, January 23rd and will close on Friday, February 2nd. As a reminder, students are asked to encourage their classmates to participate.

Dr. Tokiwa: The University of Ottawa will be hosting a virtual inter-professional workshop on May 3, 2024. The college is currently working on getting the material to send out to students.

Meeting adjourned by Dr. Tokiwa
